

This is a detailed landscape architectural site plan for a parkway project. The plan shows a central green corridor with a brick-paved pedestrian walkway, a grassy area with trees, and a parking lot. The corridor is flanked by residential streets with various lot numbers and building footprints. Key features include a central green corridor with trees and a brick-paved pedestrian walkway, a parking lot, and a central green corridor with trees and a brick-paved pedestrian walkway. The plan also shows a central green corridor with trees and a brick-paved pedestrian walkway, a parking lot, and a central green corridor with trees and a brick-paved pedestrian walkway. The plan is oriented with North at the top, indicated by a north arrow.
